Regional Boons Are Here!

Starting with the August 5 Game Day, San Diego PFS will be introducing Regional Boons. These special perks for your character are rewards for supporting our retail host - At Ease Games as well as PFS. There will be a quick explanation of how they work at the start of the August 5 slots.

Starfinder Society is Coming - September 16!

Have you always wanted to play a Ratfolk Space Pirate? How about a Halfling Ship's Doctor with an unhealthy attachment to his AI "Assistant"?

Well, want no more! *Starfinder RPG* from Paizo is coming in August. The new RPG line will be released at GenCon and organized play will commence in San Diego one month later at the September 16th Game Day at At Ease Games. We kick SFS (Starfinder Society) off with the Pregen Special direct from GenCon. Don't worry you'll be able to apply credit for the scenario to your newly minted Starfinder character.

According to Paizo "Take your favorite fantasy RPG to the stars! Set thousands of years in Pathfinder's future, Starfinder is a stand-alone roleplaying game evolved from the Pathfinder rules and designed to bring you a whole new universe of science fantasy adventures."

Season 9 Starts October 7th

Okay, technically, Season 9 PFS begins at GenCon in the middle of August, but as far as scenarios offered for OP in San Diego goes mark October 7 down in your calendars.

Rules Corner

The Core Assumption

"The Roleplaying Guild requires all members to have the Pathfinder RPG Core Rulebook and the Pathfinder Society Roleplaying Guild Guide...In order to use content from sources outside the Pathfinder RPG Core Rulebook, a player must bring a physical copy of the resources or a name-watermarked Paizo PDF of the relevant pages, as well a current copy of the additional resources listing. You must inform the GM that you plan to use additional resource material before play begins and allow the GM to use your material to familiarize herself with any new material." *PFS RP Guild Guide* page 5.

Help Design a Logo for San Diego Pathfinder Society

Throughout the month of August San Diego PFS will be accepting submissions in a contest to design a logo for SD PFS. This is your chance to show your fellow Pathfinders just how important those ranks in Craft (Painting) really are!

Your logo submission should be scaleable and should look good as small as 2 inches square or as large as a banner...yes we're going to make a banner. It is important your logo capture the essence of Pathfinder as well as the unique characteristics of the San Diego Area. Additionally, your logo needs to have the words "San Diego Pathfinder Society" on it.

Submissions can be emailed to any of the Venture Officers with a deadline of August 31. Voting will take place at the September 2nd Game Day.

Charity Game Days to Benefit MCAS Miramar are Coming

Starting September 9 and running on September 23 and October 14, *Daughters of Fury* Game Days to benefit the Power Plants Fund of MALS-11. This group helps support events for Marines as well as assisting junior Marines during periods of financial strife. More information will be released over the next several weeks but there will be pizza and beverages as well as special boons and an auction for a very special PFS boon.
